8. Use the tag to design a simple profile card containing an image and text.

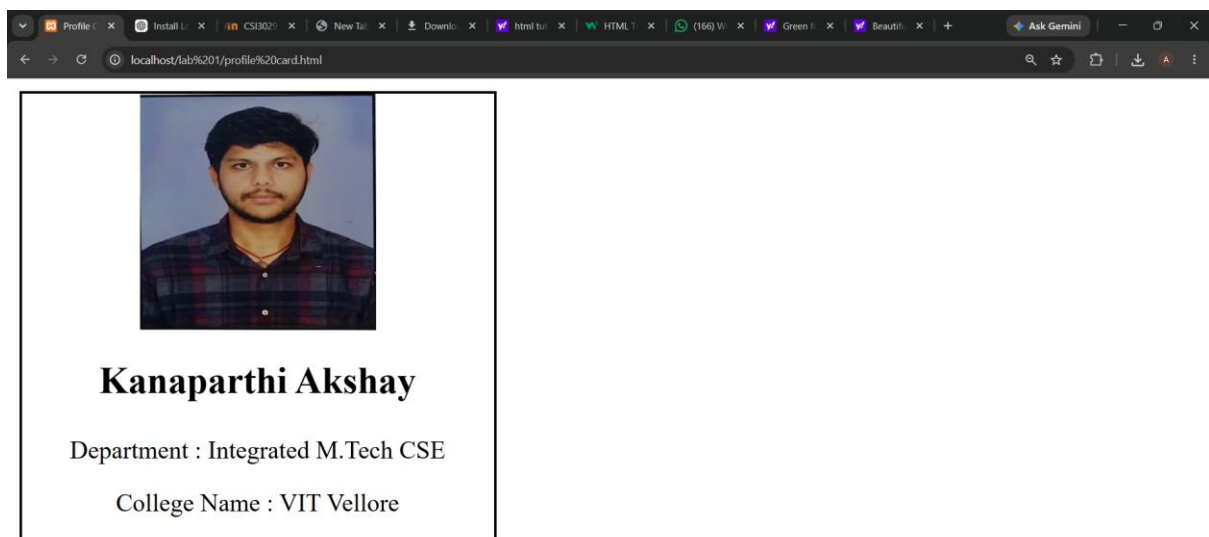

Opened: Tuesday, 14 July 2026, 12:00 AM

Due: Saturday, 18 July 2026, 12:00 AM

Use the <div> tag to design a simple profile card containing an image and text.

Create an HTML webpage that contains:

- One outer <div> as the profile card.
- Display:
 - Profile image
 - Student Name
 - Department
 - College Name
- Add a border around the card.
- Center the content inside the <div>.

```
1 <html>
2 <head>
3   <title>Profile Card</title>
4 </head>
5 <body>
6 <div align="center" style="border:2px solid black; width:300px;">
7   
8   <h2>Kanaparthi Akshay</h2>
9   <p>Department : Integrated M.Tech CSE</p>
10  <p>College Name : VIT Vellore</p>
11 </div>
12 </body>
13 </html>
```
